EXPECTED OUTCOMES

The project's main outcomes will be the result of having analysed European Third-Age Education offers and collected feedback from end-users in a as comprehensive a manner as possible within the scope of this project, while developing seven online courses and a toolbox to connect digital offers in view of making a certain number of policy recommendations for the development of Third-Age Education in the EHEA.

The results expected during the project and on its completion are the following:

- A toolkit of co-managed intergenerational learning practices (January 2022 - January 2023)
- A report on the intercultural learning activity reflecting feedback from participants (September 2022 - March 2023);
- 7 online courses in English and in the national languages of the course leader (January 2023 - October 2024)
- A toolbox to establish a European network of distance learning platforms (January 2022 - October 2024)
- Policy recommendations report (August 2023 - November 2024)
