

THIRD MULTIPLIER EVENT

The third multiplier event was organized by the European University Foundation-Campus European (EUF) in Belgium in November 2024.

The third multiplier event was aimed at disseminating the final results of the Erasmus +60 project which includes the full set of material developed throughout the project lifetime as well as the final recommendations (PR5).

The event, hosted by EUF in Brussels, took place during the final stage of the project and allowed to present/share the final project results of PR2, PR3 and PR4 with a particular focus on PR5 therefore marking the release of the finalised/consolidated policy recommendations.

To learn more about the content and the follow-up to this event, you can visit the [Final Conference page](#)
