THIRD TRANSNATIONAL PROJECT MEETING IN BRNO (30TH MARCH, 2023)

Brno (Czech Republic)

On **March 30th, 2023**, the consortium met in Brno at the University of Mendelu. The partners discussed a number of topics, including:

- The organization of the First Multiplier Event
- The organization of the Hackathon
- Set up a dissemination strategy for these events
- The progression of PR4 on "Toolbox development for online platforms to offer, exchange, link, and access community-specific and European across-community distance learning courses designed with and for citizens 60+"
